

# YARRA ENERGY FOUNDATION

**All Energy Presentation – 26 October 2021**

[www.yef.org.au](http://www.yef.org.au)

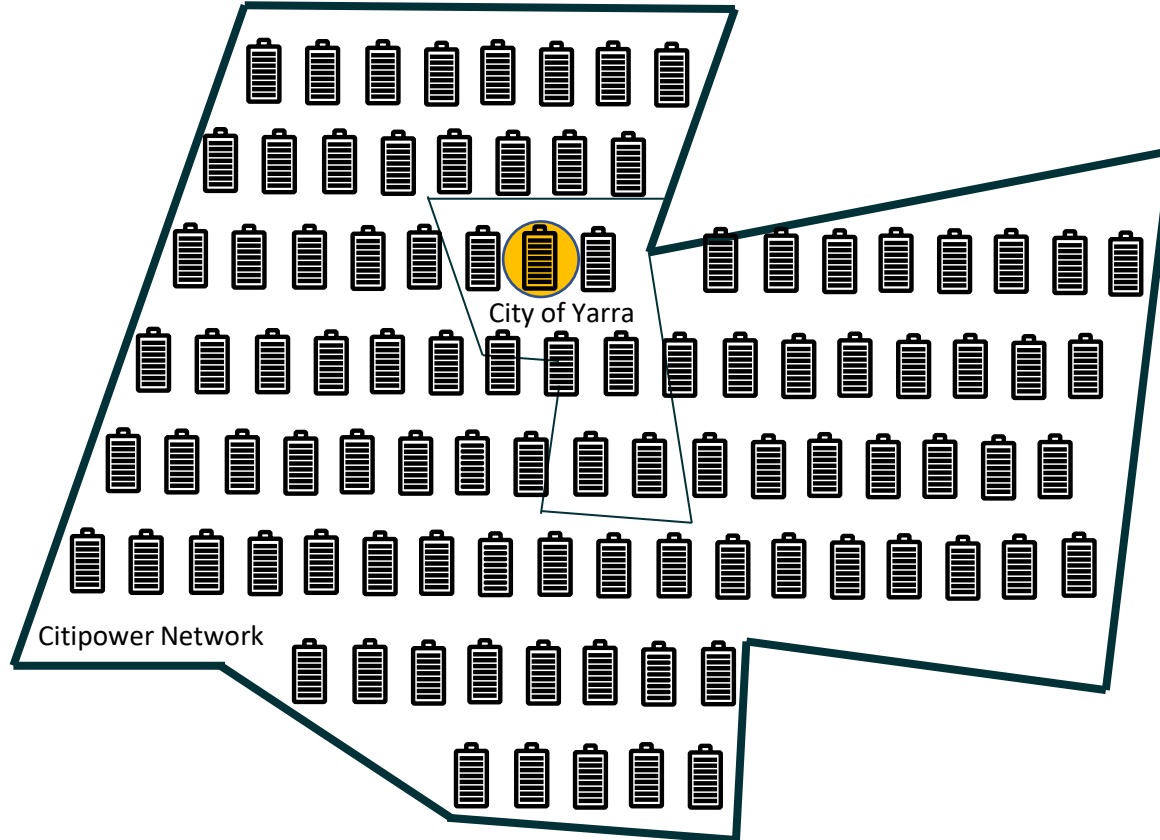

# Yarra Energy Storage Systems

## YESS

# Yarra Energy Storage Systems

- A community battery network
- CitiPower network-wide
- Third party ownership
  - ☞ Storage & supply
  - ☞ Network support
  - ☞ Market trading
- 1<sup>st</sup> System Grant Funding from Victorian Government (DELWP)

# Value Proposition to Community Members

## A Community Battery in your Neighbourhood

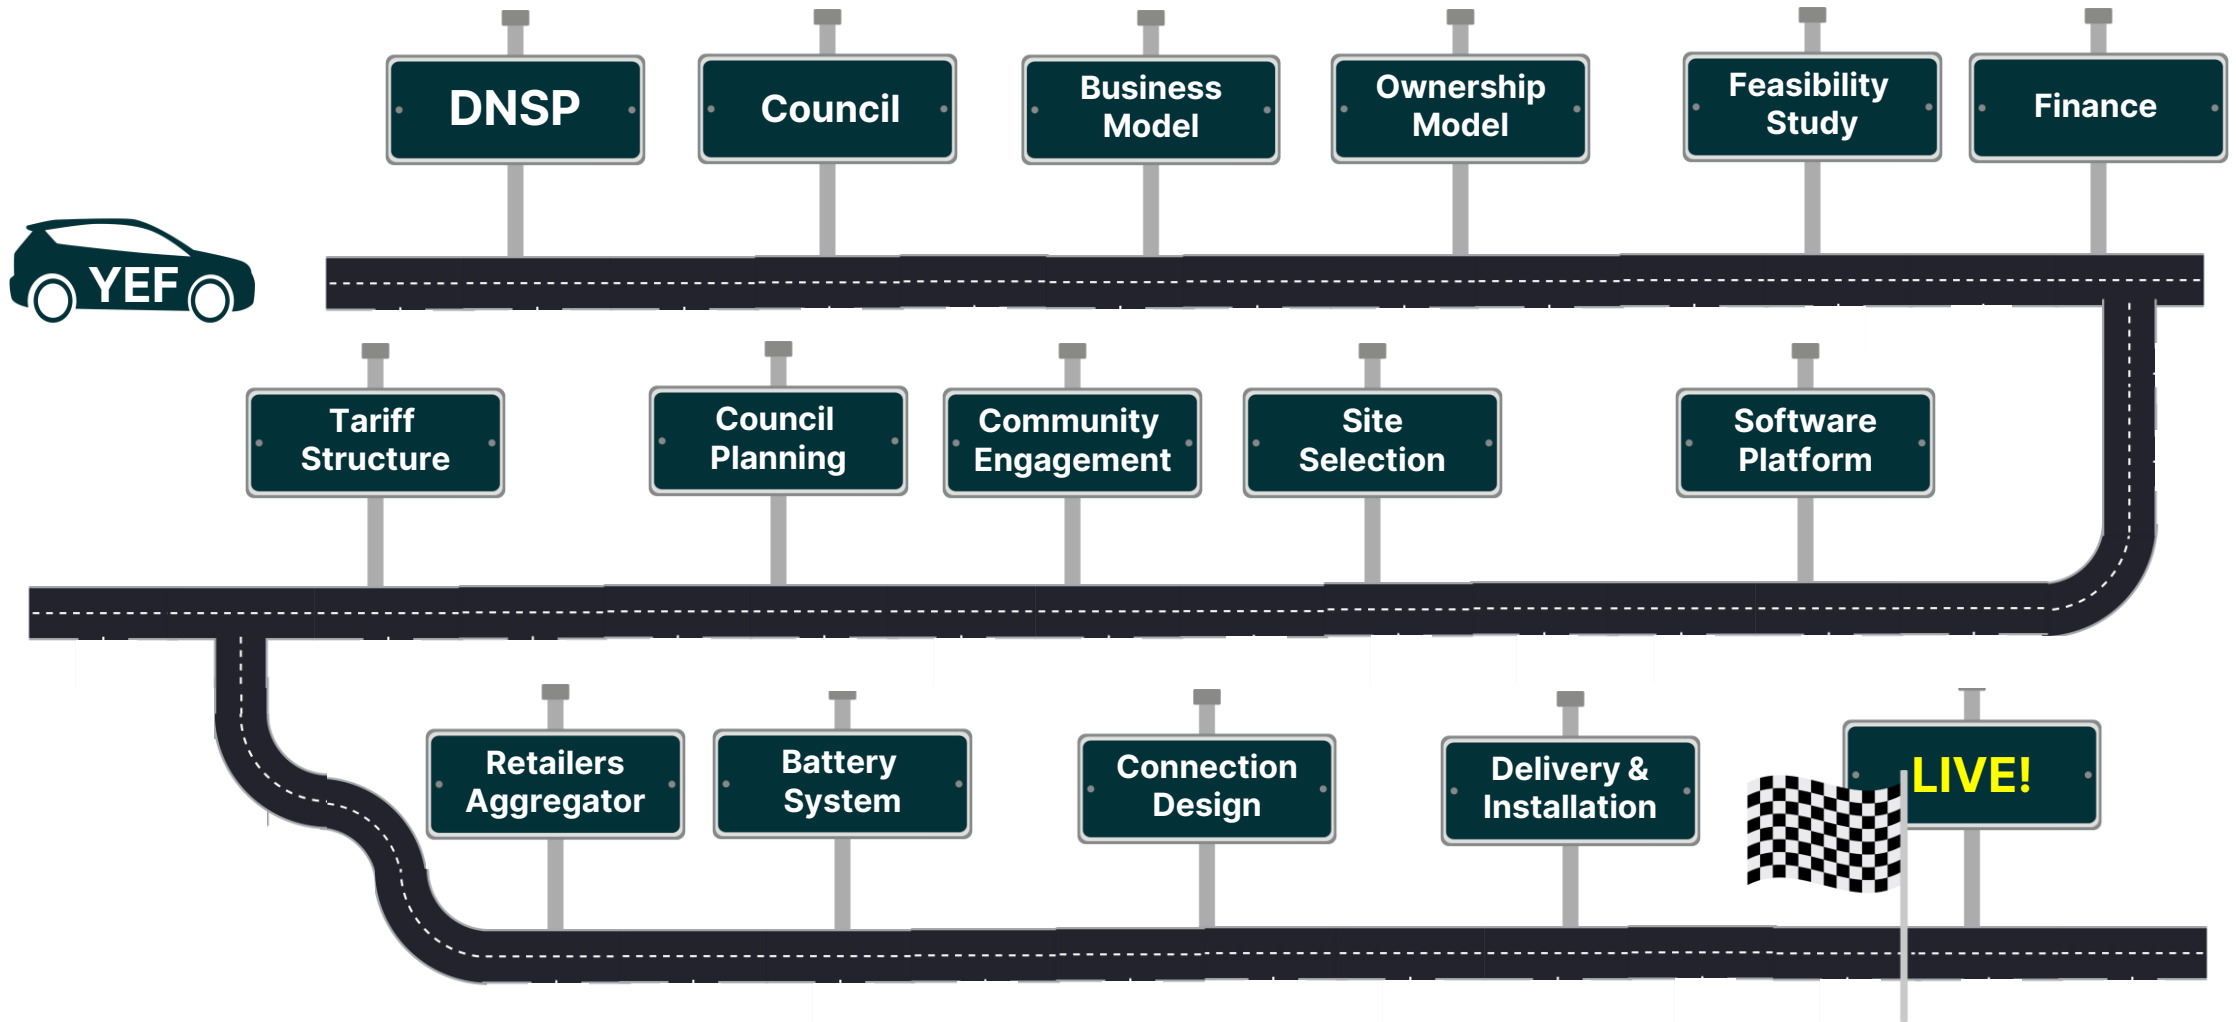

**Enables more solar to be installed and exported**

- ✓ **Open to everyone in the neighbourhood**
- ✓ **Sources local energy during the day**
- ☞ **Remotely on cloudy days** (higher daytime renewable content)
- ✓ **No cost for customers, even a discount**
- ✓ **No change in feed-in-tariff for solar customers**
